

Doctoral Committee Appointment Signature Form

III. Doctoral Committee Appointment Signature Page: Please refer to the previous pages and the *Advisers and Doctoral Committees* section of the *University Bulletin* for detailed guidelines. Please note:

- (1) If the composition of the doctoral committee changes, a revised committee appointment signature page must be submitted to the Office of Graduate Enrollment Services **as soon as possible**. All members of a revised committee must be listed on the form; however, only the signatures of any new committee member(s) are required.
- (2) These policies and procedures pertain to doctoral students; thus, this form is not required for master's students.
